|---------------|--|---|
| 11.00 - 11.40 | <p>BREAKOUT SESSIONS 3:</p> <p>Building Bridges: How Empathy Strengthens Relationships in Supplier Diversity</p> <p>Vivian Acquah, Certified DEI Consultant, Amplify DEI</p> <p>Andressa Reis, Global Lead Buyer – IT Category, Heineken</p> <p>Moderator: Karolina Jagodzinska, Senior Manager, Innovation Hub, MSDUK</p> <p>Mendes da Costa kamer (1st floor)</p> | <p>Welcome to the highly anticipated session, "Building Bridges: How Empathy Strengthens Relationships in Supplier Diversity," where our host, Karolina Jagodzinska, welcomes Vivian Acquah, a respected DEI consultant and Andressa Reis, Global Lead Buyer (IT- Category) for Heineken. Together, they will delve into the critical role empathy plays in fostering a more inclusive and equitable procurement landscape. As Maya Angelou once said, "I think we all have empathy. We may not have enough courage to display it."</p> <p>This session aims to inspire that courage, empowering organizations to embrace empathy as a driving force for meaningful change in supplier diversity. Understanding and appreciating different perspectives is more important than ever in the current social climate. So join us as we explore best practices, real-life examples, and actionable strategies that highlight the transformative power of empathy in building bridges and strengthening relationships within supplier diversity.</p> |
| 11.00 - 11.40 | <p>BREAKOUT SESSIONS 4:</p> <p>Demystifying the definition of minorities in Europe, a legal perspective</p> <p>Aissatou Sylla, Attorney, Hogan Lovells</p> <p>Moderator: Majid El Jarroudi, Founder and CEO, Adiva</p> <p>Berlage zaal (1st floor)</p> | <p>What can and can't we ask in Europe when it comes to ethnic minority businesses? What are the documents we can request? What trends are we seeing in companies requiring or not requiring diversity certification in Europe?</p> <p>Join us as we delve into how the law is unequivocally on our side when it comes to recognizing and empowering ethnic minorities in Europe. In this session, legal experts will guide us through the intricacies of defining minority groups, exploring the legal frameworks that enable us to recognise and support their business growth and access to global supply chains. We will address the challenges faced by minority communities and discuss actionable steps to launch certification in Europe.</p> |
| 11.45 - 11:55 | <p>OFFICIAL OPENING OF EXHIBITION</p> | <p>The exhibition will be opened where attendees can visit booths and learn more about the fantastic opportunities offered by both suppliers and corporates.</p> |
| 12.00 -14.00 | <p>EXHIBITION OPEN & LUNCH SERVED IN EXHIBITION HALL</p> | |

| | | |
|---------------|---|---|
| 12.15 -12:25 | <p>Diversity and Start-Ups in The Netherland (Silent Seminar)</p> <p>Nelson T Ajulo, CEO, Zarttech</p> <p>Grote zaal</p> | <p>Nelson will be speaking about diversity, inclusion, and starting a company in The Netherlands. Zarttech was started through bootstrapping, and whilst it came up against challenges it has continued to thrive.</p> <p>Now it has two offices, one in Den Haag and one in Nigeria, and it specialises in Outsourcing and Outstaffing for tech companies in the West to Nigeria. A new platform, JobPro, will be launching soon, focusing on fighting recruitment bias.</p> |
| 12.30 -12:40 | <p>3 lessons from a divergent supplier's journey (Silent Seminar)</p> <p>Lene Leth Rasmussen, Founder & Owner, Loop UX</p> <p>Grote zaal</p> | <p>Lene will share 3 important lessons learned in her journey as a divergent entrepreneur. By telling her personal story with honesty and vulnerability about the unique challenges she has faced and overcome, she hopes to inspire other divergent entrepreneurs in their journey.</p> |
| 12.45 -12:55 | <p>Silent Seminar 3</p> <p>Grote zaal</p> | <p>More info about this session soon.</p> |
| 13:00 - 13:10 | <p>The Forgotten Child of DEI Strategies (Silent Seminar)</p> <p>Mary Jane Roy, Owner, Creating Waves</p> <p>Grote zaal</p> | <p>In this session, you will hear why there is an often easily overlooked topic in DEI strategies. However, it is also a topic that needs to be and can be 'easily' addressed, by creating awareness.</p> |
| 14.15 -15.00 | <p>BREAKOUT SESSIONS 1:</p> <p>Supplier Diversity Benchmarks and Best Practices to Drive Performance</p> <p>Aylin Basom, CEO, Supplier.io</p> <p>Moderator: Andrea Fimian, CEO & Founder, Fips Consulting</p> <p>Administratie Zaal (1st floor)</p> | <p>Who are the supplier diversity top performers and how do they do it? Supplier.io analysed \$1.4 trillion in spend to uncover supplier diversity benchmarks and best practices that benefit programs regardless of maturity, size, or industry.</p> <p>Aylin Basom, CEO of Supplier.io, discusses the results various industries are seeing from their supplier diversity programs as well as how leading organizations are yielding results that are 2-3 times better than their peers. Aylin will share 5 actionable steps any organization can take to improve their program results and business outcomes. Join this session to gain valuable insights on accelerating your supplier diversity and ESG initiatives.</p> |

| | | |
|--------------|--|---|
| 14.15 -15.00 | <p>BREAKOUT SESSIONS 2:</p> <p>The B-Word: Recognizing and Identifying Burnout, and the Impact of Inclusion</p> <p>Dr. Marcia Goddard, Chief Culture Officer, The Contentment Foundation</p> <p>Moderator: Gary Joseph, Chief Executive Officer, South African Supplier Diversity Council</p> <p>Verwey Kramer (1st floor)</p> | <p>Wellbeing and Inclusion are inextricably linked. This session will provide a neuroscientific perspective on the topic of burnout and explain why lack of inclusion will lead to more burnout, and less wellbeing. You will learn what a culture of wellbeing really looks like, and what you can do to enhance your own personal wellbeing.</p> |
| 14.15 -15.00 | <p>BREAKOUT SESSIONS 3:</p> <p>Beyond spend, how we use data to influence and measure impact</p> <p>Kim Hasassri, Global Insights Manager - Supplier Diversity, Meta</p> <p>Moderator: Karolina Jagodzinska, Senior Manager, Innovation Hub, MSDUK</p> <p>Mendes da Costa kamer (1st floor)</p> | <p>Transformational impact for companies lies within the data available to key stakeholders who develop, lead and drive purchase decisions and the technology they deploy.</p> <p>In this session, led by Meta Platforms, Inc., we'll explore how supplier diversity professionals can empower internal teams to move beyond reporting diverse supplier spend to using analytics to implement changes that scale impact.</p> <p>Using Data The presenter will share specific insights and strategies to increase stakeholder awareness, engagement and accountability to support supplier diversity goals. This session will explore how to break down macro-level data to support the business case for diverse supplier utilization across business units, categories, and cost centers. The discussion will include</p> <ul style="list-style-type: none"> - Building and using tools to increase diverse supplier discoverability to influence spend. - Increasing transparency and availability of diverse supplier spend data to drive ownership of diverse supplier spend goals. - Using data and insights to support capacity and resource requests - Best practices of data insights that help teams understand their purchasing patterns and the impact of their purchase decisions. <p>Using AI The capabilities of AI models, specifically GPT-4 developed by OpenAI, can transform traditional supplier identification processes by speeding up and refining the selection of diverse suppliers. AI can also be used to fill gaps for professionals to design and build new reporting and harness new insights. In addition to the opportunities it provides, there are also key challenges that supplier diversity professionals should consider ensuring that the technology continues to increase</p> |

opportunity and access for more diverse suppliers versus a select few. The presenter will share how AI is being used in its current state and four questions that will define the experience of diverse suppliers when AI utilization becomes more prominent in the future.

| | | |
|----------------------|---|---|
| <p>14.15 -15.00</p> | <p>BREAKOUT SESSIONS 4: Advocacy Network Spotlight: Challenging the status quo</p> <p>Pavel Subrt, Board Member EGLCC</p> <p>Jerome Flint, Regional Director Europe and MENA, WEConnect International</p> <p>Andy Daly, Head of Corporate Partnerships, Social Enterprise UK / Telos</p> <p>Cassandra Dorrington, President & CEO, CAMSC</p> <p>Charlie Wigglesworth, Managing Director, Telos</p> <p>Moderator: Kristine Mangan, Vice President, Procurement Citizenship, Johnson and Johnson</p> <p>Berlage zaal (1st floor)</p> | <p>Join us for an insightful session as we address the pressing need to challenge the existing status quo, where advocacy networks often work in isolation. In this thought-provoking panel discussion, we bring together the leaders of four prominent advocacy networks—EGLCC, MSDUK, WEConnect International, and Telos—and one from Canada —CAMSC to explore proposed solutions and approaches for working closer together.</p> <p>The panellist will lead the discussion on how to bridge the gaps between advocacy networks, fostering a united front in promoting Supplier Diversity on a global scale. Through candid conversations and shared experiences, we will delve into the challenges and opportunities that arise when breaking down siloes.</p> |
| <p>15.00 - 15.30</p> | <p>COFFEE BREAK</p> | |
| <p>15.30 - 15.35</p> | <p>Welcome Back</p> <p>Ikenna Azuike, Master of Ceremonies</p> <p>Main stage</p> | <p>It's time to take a moment to reflect on the enriching experiences we've shared throughout the morning.
